Double Your Impact with Matched Funding!

Many employers offer 'Match Funding' or 'Corporate Matching' schemes where they match money raised by employees £-for-£. Please check with your HR or Community Investment department to see if your company participates. If they do, tick the box above and indicate it next to your donation below!

Important Information for Sponsors (Individuals vs. Companies)

For Individual UK Taxpayers (Gift Aid): By ticking the 'Gift Aid' box below, you declare: "I want to Gift Aid my donation to the charity running this event. I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year, it is my responsibility to pay any difference." **Note:** You must provide your full name, full home address, and postcode below for the charity to claim the 25p boost on every £1 you give.

For Corporate / Company Sponsors: Companies do **not** use Gift Aid. Instead, corporate donations are paid gross and can be deducted directly from your company's taxable profits before Corporation Tax is calculated. Please check the 'Corp. Receipt' box, and the charity will provide a formal receipt for your corporate accounting records.
